

Stewardship Team Report

Central Lutheran Church June 2,2016

Attendance: Team Members: Chuck Dietz, Eric Elwood, Teresa Maldonado, Gary Wolfe and Sonja Vik.

The meeting opened with prayer by Chuck.

Ministry Fair: No set date yet. Christian Education Team will be meeting soon to create their fall calendar. They would prefer a Sunday that is not immediately after the beginning of their courses. One possibility might be October 2. We will meet with the Education Team to determine a date.

Giving history and goal for financial campaign: Giving is up from last year. Team discussed goals (greater dollar amount given versus greater number of givers).

ELCA and Synod information regarding stewardship financial programs and thanking: Chuck emailed handouts for all to read and report back.

Thank you notes: Discussed the importance and the various ways of thanking (ie. personal note mailed, letter from Pastor or Chuck, announcement in church and a dinner).

Next meeting is Thursday, July 7 at 8:30 am. Team will discuss policy and direction, communication and thank you's, and Chuck will meet with Cindy Culpepper for additional information.
